71, Fenchurch Street,  
London, E.C. 3.  
13. 3. 40.

Dear Milner,

With reference to your ~~te~~ telephonic message yesterday regarding Newbury Diesel engines nos. 727/8. I have made enquiries of Norman Betts & the Outdoor Surveyors and it appears that these are unclassified auxiliaries, for which no report will be issued.

I trust this information is what you require.

Yours etc.

J. W. Barclay
