Dear Mr. Chisholm,

I was favoured with your letter of the 23rd instant respecting the case of the steamer "STAD VLAARDINGEN", and I note that you are expecting to obtain from the Builders a list of the repairs carried out on the vessel while in dock at Rotterdam, also the cost of same, and that you will forward the information to this Office as soon as it is available.

Yours faithfully,

A. Chisholm, Esq.,  
HAMBURG.
