Ans.

Dear Mr. Scott,

LONDON

I received your telegram reading as follows:

"STAD VLAARDINGEN IS IT TRUE THAT DAMAGE HAS NOW
"BEEN DISCOVERED IF SO PLEASE SURVEY AND REPORT -
"SCOTT -".

With reference thereto I beg to state
that no damage has been discovered on the hull of
the vessel and the report has therefore been forwarded to day.

Reasoning why this report was delayed
was because some repairs were being carried out to
the machinery and this report will follow.

I am, Dear Sir,

Yours faithfully,

R. C. Cresswell

A. Scott Esq.
