

Translation

of a letter dated 24th April, 1925,  
received from Messrs. Flensburger  
Schiffsbau Gesellschaft, Flensburg.

-----  
s.s. "STAD VLAARDINGEN".

We gave you today over the telephone particulars  
of a telegram regarding the above vessel which we received  
from the Halcyon Lyn, Rotterdam, reading as follows:-

"REFERRING YOUR TELEGRAM OF YESTERDAY  
~~BRITISH LLOYD GIVES NO RULES REGARDING~~  
DOCKING AFTER A PERIOD OF ABOUT THREE  
MONTHS SUBSEQUENT TO LAUNCHING PLEASE  
WIRE US AT ONCE WHAT EXCEPTIONAL CIRCUM-  
STANCES ALLOW LLOYDS SURVEYOR TO REQUIRE  
DOCKING "

We arranged with you that you would following  
Mr. Priess' return to Hamburg advise the Halcyon Line  
in Rotterdam direct giving the required explanation  
( we suggest this be done by the telephone) and we have  
informed the Owners accordingly re these arrangements.

Thanking for your attention,

Yours &c.
