Dear Sirs,

S.S. "TRIGONSEMUS"

With reference to my letter of the 28th November and your reply of the 1st December last, I beg to remind you that this vessel's Load Line Certificate will expire on the 31st October next, when the validity of the "Examined" notation will also expire. I shall accordingly be obliged if you will kindly let me know what arrangements are proposed to be made for the submission of the vessel to Special Survey for full Classification, together with the Load Line Renewal Survey.

I take the opportunity to point out that a further survey of the Boilers will become due at the end of October next.

Yours faithfully,
