PALMOUTH.

Dear Sir,

T.2. TANKERS

The S.S. "COLUMNE MEADOWS" has been purchased by the Anglo-Saxon Petroleum Co. Ltd., and is to be re-named "TRIGONOSEMUS" with Port of Registry London.

The S.S. "CHISHOLM TRAIL" is being purchased by the British Tanker Co. Ltd.

Both vessels are being drydocked at this port and the requirements of a General Examination will be completed. A survey for computation of Freeboard will be dealt with here in the case of both vessels. We would therefore be glad to have your instructions.

It would greatly facilitate the work in this office if we could have photostat copies of reports C.11 (Comp) and C.11 on the S.S. "TECTARIUS" in dealing with the above vessels and future similar cases.

We are, Dear Sir,

Yours faithfully,  
The Surveyors,
