URGENT.

"EMPIRE SHEARWATER"

This ship is classed *100A1 "For service U.K. and Eire (excluding the West coast of Ireland) also to and from the Baltic and Mediterranean."

Captain Hendrikse telephoned on behalf of the Managers and stated that they are proposing to put this ship in service and will submit her to outstanding surveys.

They have had offered a charter for two or three voyages between Las Palmas and Rio de Oro and as this will be outside the present service limits they ask for the Committee's approval for Classification and for the issue of the appropriate Load Line Certificate.
