

"J O N A N C Y" - N.Yk.Rpt.No.51938

Before this case receives the consideration of the Committee, the NEW YORK Surveyors should be requested to forward details of the work now done for conversion to oil fuel burning which have been omitted from their report, confirming at the same time, that this has been carried out in accordance with the Approved plans<sup>will</sup> and Section 20 of the Rules.

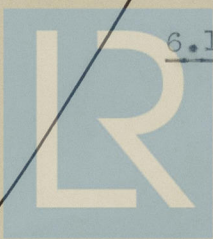

They should also be referred to Page 3 of New York Report No.51225 and requested to confirm that all outstanding repairs mentioned therein have now been satisfactorily dealt with and the examination of pumps and general equipment carried out for completion of the Special Survey.

which should also be forwarded.

see Reply dated 9/1/53.
