

S.S. "KIRUNA"

The third bower anchor, weight 77-- 3 - 8 is above the weight required by Rules 56 - 3 - 9 and has been tested by the Surveyors to the Germanischer Lloyd.

The Gothenburg Surveyors have forwarded a copy of the Certificate for the drop and bent test which was carried out by the Bureau Veritas Surveyor and appears to be in order.

In the circumstances, it is submitted this anchor might be accepted for this vessel.

Dr. Got. 4/5/21.

Test certs. returned
