

Spare parts Diesel engine

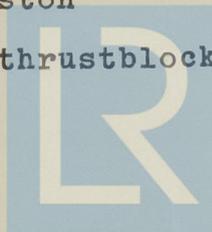

- 1 set of coupling bolts for crankshaft
- 4 main bearing bolts
- 22 bolts for cylinderhead
- 1 cylinderhead
- 1 complete valve chests for scavenging air receiver
- 2 complete comb. starting, fuel valve and advance valve house
- 4 fuel needles
- 4 atomisers
- 2 bolts for crankpin bearings
- 2 bolts for crosshead bearings
- 1 piston complete with piston rod and telescopic pipes
- 40 piston rings for working piston
- 2 scraper rings on cylinder
- 10 piston rings for LP compressor piston
- 10 " " " MP " "
- 12 " " " HP " "
- 1 set gear wheels for camshaft drive
- 1 screw wheel for camshaft drive (brass one)
- 1 " " " " " (steel one)
- 4 plungers and bushes for HP fuel pumps
- 4 delivery valves for same
- 4 suction valves for same
- 12 sets LP compressor valves
- 4 sets MP compressor valves
- 1 section valve for HP compressor
- 1 delivery valve for HP compressor
- 1 set HP air and fuel pipes with connections
- 2 cylinder liners for main motor complete
- 1 main bearing for main motor
- 1 main bearing for compressor
- 1 inwardly springy ring) for cylinder distance

M. V. Gahinda

003275-003281-0059 1/3

3 scraper rings for cylinder distance
 1 starting valve
 1 advance starting valve
 4 piston rings for starting valve
 1 crosshead bearing for main motor
 1 crankpin bearing for compressor
 1 crosshead bearing for compressor
 1 crosshead with bolts for main motor
 2 guide shoes for main motor
 1 working piston head with studs and nuts
 4 stuffing bushes for telescopic pipes
 2 fuel cams
 1 starting cam
 2 rollers with pins
 1 LP compressor suction valve complete
 1 LP " delivery valve "
 1 MP " suction valve "
 1 MP " delivery valve "
 1 HP " suction valve "
 1 HP " delivery valve "
 1 non return valve in inblast air pipe line
 1 set packing rings for stuffing box of compressor
 1 inwardly springy ring for same
 1 cylinder lubricating oil pump complete for main motor
 1 " " " " " " compressor
 2 non return valves for inblast air
 2 non return valves for fuel
 4 telescopic pipes on piston
 1 thrustring in 2/2 for thrustblock
 1 crankpin bearing
 8 safety valves

T.M.K.

III

2 safety valves for cylinder
1 thrustbearing for vertical shaft
2 top bearings for thrustblock vertical shaft
2 bottom bearings for same
1 top bearing for vertical shaft
1 interm. bearing for same
1 camshaft bearing
1 LP cooler stack complete
1 MP cooler stack "
4 blow off spindels with houses complete
16 HP lubricating oil cups
2 HP cooler stacks
16 atomiser plates
16 atomiser plates
8 flame plates
1 complete set of telescopic pipes
8 nozzles for same
1 set telescopic pipes for crosshead lubricating
2 main bearings for scavenging air pump
1 crankpin bearing for same
1 crosshead bearing for same
2 piston rings for same
1 set metallic packing for stuffing box
1 complete valve chest for scavenging air pump
100 valves for same
1 set of spiral springs for one motor
10% principal studs and bolts
12 pressure gauges
1 set of packing material .
