24th October, 1958.

The Secretary,
Lloyds Register of Shipping,
71, Fenchurch Street,
London, E.C.3.

Dear Sir,

S.S. "KING EDGAR"

We are in receipt of your letter of the 20th instant, referring to the recent General Examination carried out in Liverpool.

It is noted that as a result of this inspection the postponement of the Special Survey until September, 1959, has been approved by your Committee.

The soft nose stem plating, side shell plating etc. (port side forward), and structure of stbd. deep tank between Nos.1 and 2 holds, also the fracture in frame forward of injection valve etc. being Classification subjects, will be dealt with by September, 1959.

Yours faithfully,
FOR KING LINE LIMITED
