QUESTION

ANSWER

As it would appear from the records in this Office that this ship has not been examined in drydock by the Society's Surveyors since March, 1957, I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made for such an inspection to take place.

I shall be glad to learn the Owners' intentions regarding the Donkey Boiler Survey, which became due at the end of last month.

Upon enquiry Owners inform us that the ship is laid up at Rotterdam since the 23rd of January last.

Before vessel will be put into commission again, the inspection in drydock and the Donkey Boiler Survey will receive attention.

Owners trust that this arrangement will have your approval.
