Sirs,

m/t "ELENI"

Referring to your letter dated 16th inst, we note that
intended to record a notation of "Surveys Overdue 3-60"
on the above named vessel. Whilst we agree that this
notation should be prefixed by "Laid up" we would be pleased to learn
that the year 1960 is referred to as the "ELENI" was granted
extension of class to March 1961.

Yours faithfully,
