Dear Sirs,

Steamer "CHEIKH MARCEL"

With reference to my letter of the 18th October, it has been ascertained from the Surveyors at Alexandria that the electrical installation of this ship was not megger tested on the occasion of the General Examination in August/September last.

It is considered that the megger test should be carried out at an early opportunity, and I shall be glad to learn what arrangements can be made in this respect.

Yours faithfully,

Deputy Clerk to the
Classification Committee
