Dear Sir,

Motor Tanker "CONSTANCE"

With reference to our telephone conversations yesterday, I confirm that provided a further Load Line Survey is held with satisfactory results before the end of next month, the Committee will be prepared to authorise the issue of a short term Load Line certificate and to maintain the vessel's class until the end of December as desired by the Owners.

As it is understood that this matter will receive attention at Chittagong, the necessary instructions are being sent to the Surveyor there, and I enclose for your records a copy of the letter that has been sent to him.

Yours faithfully,

c.c. Freeboard

Clerk to the  
Classification Committee.

The Principal Surveyor,  
GOTHENBURG.
