Dear Sir,

M/T "ROSA PELLEGRINO".

In reply to your letter of the 15th inst. we have to state that the Overall Length of the above vessel should be 76.5 metres and the Registered Length 72.33 Metres and not as stated in our report.

The confusion, which is due to the difference between the British and the Italian systems of measurement, is regretted.

Yours faithfully, © 2020
