These trawlers, formerly registered at Hull, were recently purchased by Dutch Owners, who now write that it is not desired to continue their classification in the Society's Register Book.

No surveys are due on either vessel.

The Classing Committee had the cases before them on Tuesday, the 26th instant, when they decided to give instructions for the character of each vessel to be withdrawn from the Register Book and Three Dots (...) inserted in lieu thereof  
7,38  
indicating withdrawal of class at Owners request.
