

Lloyd's Register of Shipping.

Ship's Name "EMPIRE BARON"

Official No. 174207

Memorandum of alterations reported since ship was surveyed for assignment of Load Lines
in *Extract from Rpt B. No 110536. 28/6/42*

The Load Line Certificate endorsed for deeper loading and locking bars have been fitted to hatchway in fore well.

The ventilator coamings on forecastle deck which were 56" high have been cut down to 36" high, Cll amended accordingly.

The bolted plates on shell have been made watertight by welding dished plates over same (p. and s.), the oil filling pipe has been extended to bridge deck on port side, now similar to starboard side.
