ENCLOSURES.

31st December, 1941.

Dear Sirs,

With reference to my letter of the 19th instant regarding the "EMPIRE BARON", I have to acquaint you that a report has now come to hand from the Dundee Surveyor, from which it appears that the vessel has been surveyed at that port for the assignment of Convention Freeboards. At the request of the Surveyor I enclose herewith the usual assignment letters and I shall be glad if you will give the case attention.

It is concluded that the washbasin discharges amidships which have no stormvalves are from appliances situated on or above the bridge deck, but I shall be glad if you will confirm this.

I am, Dear Sirs,
Yours faithfully,
