QUESTION.

ANSWER.

Date:— 2nd January, 1931.

I shall be glad if you will ascertain and let me know what arrangements have been made for carrying out the Boiler Survey which became due last July.

For your information I may say that a notice regarding this inspection was addressed to the owners from this Office on the 19th August last to which no reply appears to have been received.

The Owners state that this vessel is due in port in about a week's time, when they will endeavour to arrange for the boiler survey to be carried out.
