12th August, 1920.

Dear Sir,

With reference to the Glasgow first entry report .39387 on three Babcock & Wilcox Boilers No.410 tendered for a Standard vessel of the "N" Class, I have inform you that the Society's Surveyors at Middlesbrough report that these boilers have been fitted into the s.s. "OBILANTE" (ex "WAR PROJECT"), Messrs. The Furness Shipbuilding Co's No.14 vessel.

An account has to-day been rendered to the Ministry of Shipping for the fees due for the survey during construction of the hull and machinery of this vessel, and on payment £36: 4: 6 will be credited to your port for the survey during construction of the boilers at the makers' works.

I shall therefore be glad if you will kindly note that the necessary entries are now made in the Glasgow High Fee and Debit Books in the usual way.

I am, Dear Sir,
Yours faithfully,

Secretary.

Yours faithfully,
The Secretary,

GLASGOW.
