Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

12th August, 1920.

Dear Sirs,

With reference to your first entry report No.15719 on the Turbine machinery made by Messrs. Richardsons, Westgarth & Co., Ltd., (their No.1189) I have to inform you that the Society's Surveyors at Middlesbrough now report that this machinery has been fitted into the s.s. "ROBILANTE" (ex "WAR PROJECT"), Messrs. The Furness Shipbuilding Co's No.14 vessel.

Accounts have to-day been rendered to the Ministry of Shipping for the fees due for the survey during construction of the hull and machinery of this vessel, and on payment your account will be credited with £24: 3: 1 for the survey of the turbines at the makers' works.

I shall therefore be glad if you will kindly see that the necessary entries are now made in your Rough Fee and Debit Books in the usual way.

I am, Dear Sirs,  
Yours faithfully,

Secretary.

The Surveyors,

WEST HARTLEPOOL.
