QUESTION

ANSWER

I shall be glad to learn what arrangements are proposed to be made for No. 2 hold port bilge and sounding pipe to be examined and dealt with and for the fore peak tank to be pressure tested before the end of the present month, as recommended by the Madras Surveyor in July.

The Owners state that:  
"the Company are still considering as to whether the captioned vessel should be operated or scrapped. However, in case the vessel is to be operated, your recommendations and inspection in respect of No.2 Hold Port Bilge and Sounding pipe and also the pressure test of fore Peak Tank will be complied with before the vessel sails from Karachi port."
