The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
London, E.C.3.

Dear Sir,

s.s. "ARISTOTELES"

We thank you for your letter dated 30th instant.

The Main Boiler Survey will be completed at Rotterdam where the ship is due on 5th/6th August and the Docking Survey can be carried out at the same time.

Whilst at Rotterdam vessel will enter drydock for the fitting of a new propeller and it is intended to carry out Tail-shaft Survey at this opportunity.

With regard to the Steampipe Survey, as the vessel is on Time-Charter and has urgent commitments we must request that you be good enough to defer same until April, 1963, and trust that you will be agreeable.

Yours faithfully,
For: RALLIS SHIPPING CO. LTD.
