S

The Secretary,
 LONDON.

Dear Sir,

In reply to your letter of the 25th instant respecting the First Entry Report No. 9715 on the donkey boiler fitted on board the M.S. "PAUA", I have to state that the date of test was 9th April, 1927 and the number of the Certificate 889.

This information was supplied to you in my letter of the 16th instant.

The number of the certificate of the boilers fitted on board the steel screw steamer "ICOTEA" was 894, the date of test being 24th May, 1927.

I regret that this information was omitted from the reports in question.

I am, Dear Sir,

Yours faithfully,

R. E. Armes

24th August, 1927.

The Secretary,
LONDON.

Dear Sir,

I have the honor to acknowledge your letter of the 21st instant
concerning the first entry report No. 9413 on the damaged
bottle fitted on board the ship "S.S. 'MILF'". As regards the
date of loss of the bottle, I have to inform you that the date of loss
of the certificate was 24th May, 1927, and the number
of the certificate was 9413.
This information was supplied to you in my letter
of the 14th instant.
The number of the certificate of the bottle
fitted on board the ship "S.S. 'MILF'" was 9413,
the date of loss being 24th May, 1927.

I regret that this information was omitted from
the report in question.

I am, Sir, very truly,
Yours faithfully,

Referred to Mr. ~~W. H. H.~~ H.H.H.
