 LONDON.

Dear Sir,

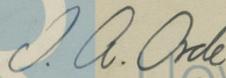

M.V. "LAMPANIA"

Further to our Newcastle Report No.104516 with regard to the above vessel, we would request that the M.N. be altered to 566 (five hundred and sixty six) the difference being due to the increased M.I.P.

This has been agreed with the Engine builders, Messrs. R. & W. Hawthorn Leslie & Co. Ltd. to whom a new account for £131. 12. 0. has been forwarded in regard to the machinery.

We are, Dear Sir,
