Classn. (H)

Dear Sir,

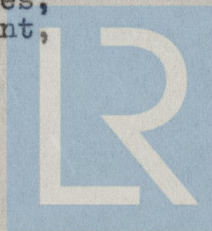

s.s. "EDDYREEF"

With reference to the classification of this vessel in the Society's Register Book, according to records she has not been seen in drydock by our Surveyors since March, 1958 and she became due for Main Boiler Survey at the end of last month. It will be appreciated if you will let me know what arrangements are proposed to be made for further examination in drydock to take place and for the Main Boiler Survey to be carried out.

Yours faithfully,

Clerk to the  
Classification Committee.
