~~XXXXXX~~:

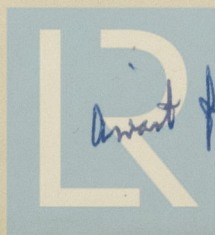

We duly received your letter of the 21st. inst. in connexion with the Steamer "KAREPO" and have to state in reply hereto that as previously reported the vessel forms one of the following all laid up and for sale.

Karepo	Auckland
Tea	Wellington
Niro	"
ara	"
pahi	"
tigi	"

The Owners have stated none of these vessels will be commissioned without any overdue surveys either being dealt with at the Ports where they are laid up or some other arrangements arrived at in which you concur.

We can only add so far as the vessels lying at Wellington concerned, it will be difficult indeed if any change in the situation takes place without our full knowledge.

We believe the Owners will keep us obliged of any changes the situation when naturally you will be informed.
