Dear Sirs,

s.s. "GLESSULA"

With reference to my letter of the 7th November last and previous correspondence, it is noted from the shipping papers that this ship has been laid up in the River Blackwater since the 28th May.

In these circumstances it will be appreciated if you will advise me as to your intentions with regard to the Main Boiler Survey and Screwshaft Survey, which became due at the end of January and April, 1961.

Yours faithfully,

Clerk to the  
Classification Committee.
