

short circuited, or touched

yes

Are the lubricating arrangements of the generators as per Rule

003409-003416-0214

Parknasilla.

Abn. 17182.

It is submitted the Surveyor to be requested to state whether the amperages & lengths of conductors on the accommodation & deck circuit & the navigation circuit are correctly reported as it appears from the figures that there is an excessive drop in pressure in these circuits.
