Lloyd's Register of Shipping.

Port Galveston, Texas

May 26, 1948

This is to Certify that I have

surveyed the Boiler and Machinery of the S/S "FRANCINE CLORE"

of 34 tons gross of London afloat at Port Arthur, Texas on

12th and 19th May, 1948 for Boiler Repairs,

that I have transmitted to the Committee of Lloyd's

Register of Shipping, London, a Report stating that all

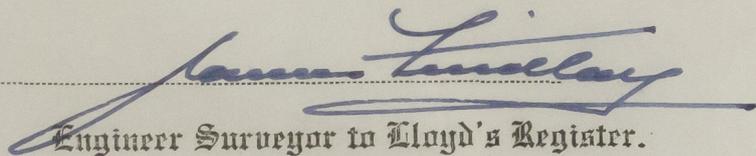

recommendations made by me in connection therewith have

been carried out to my satisfaction, and that I have

recommended that the record of L.M.C. as at present

without fresh record of survey

be made in the Register Book in the case of this vessel.

  
Engineer Surveyor to Lloyd's Register.

This certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—  
The Committees of the Society use their best endeavours to ensure that the functions of the Society are properly  
performed and to be understood that neither the Society nor any Member of any of its Committees is under any circumstances  
to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in  
the Register Book or other publication of the Society, or for any error of judgment, default or negligence of  
any Committee or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
