Dear Sirs,

M.S. "GARBeta"

In reply to your letter of the 28th January, I am pleased to inform you that, in the circumstances mentioned, the Committee have approved the postponement of the Special Survey until the ship's arrival in Japan in April next for sale as scrap.

You will observe that the Load Line Certificate will expire on the 31st March, and should an extension be required it will be necessary for a freeboard Renewal Survey to be held.

Yours faithfully,
