6th February 1962.

Dear Sirs,

R

M.S. "GARBETA"

With reference to the Special Survey, which will become due at the end of next month, the Committee have agreed to consider postponement of this inspection until March, 1963, provided the vessel is submitted to a satisfactory General Examination.

The Owners state arrangements have been made for the vessel to be drydocked at your port on the 12th instant when the above inspection will be carried out, and I shall be glad if you will give the case the necessary attention.

The Continuous Survey Cycle should be advanced on the above occasion and I would point out that the Auxiliary Boiler Survey will become due at the end of next month.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
ANTWERP
