Dear Sirs,

m.s. "GARBETA"

In reply to your letter of the 11th January, I am pleased to inform you that provided a satisfactory General Examination is held as now proposed, at which time special attention will require to be given to the conditions of class, the Committee will be prepared to consider your proposal to postpone the Special Survey until sometime before the end of March, 1963.

I note that the ship will be dry docked at the end of this month at Immingham, at which time the Continuous Survey of the machinery should be advanced.

I take this opportunity to remind you that the Auxiliary Boiler Survey will become due at the end of March next.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
