

X LAST REPORT 1219 PORT KRH

1st April, 1949.

ENCLOSURES.

Dear Sirs,

With reference to my letter of the 14th June last, and your subsequent report No.55907 on the motorship "KING ALFRED", I enclose for your information a copy of an endorsement in consequence of which the Committee have to-day assigned to the vessel a notation of LMC (CS) 11,48.
10,44.

You will appreciate from the copy of the Form 7E which is also enclosed, that certain machinery items have not been examined during the last 4 years.

In these circumstances, I shall be glad if you will advise the Owners accordingly with a view to arrangements being made for the advancement of the Continuous Survey cycle as soon as possible, in order to permit the issue of classification certificates for hull and machinery.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
CARDIFF.
