ENCLOSURE.

ANSD.....

Dear Sir,

M. V. " KING ALFRED "

Further to our letter dated the 27th instant, we now enclose plan showing "Details of Fabricated Rudder" for the above-named vessel, from which it would appear that the diameter of the rudder head is 12" and not 11½" as shown in our First Entry Report No. 55908. It is submitted that this dimension be checked at the first convenient opportunity.

Yours faithfully,

E. Brimblecombe.

Secretary,

LONDON.

Lloyd's Register Foundation

003429-003433-0161

this will be forwarded to you from this office when received. It is regretted that the question of the overall length was overlooked until the vessel was out of dry dock,

Referred to the Chief Ship Surveyor

HB

Smart in S. R. " Diameter of saddle head to be checked out
