ANSO.

Dear Sir,

We are in receipt of your letter of the 16th. instant concerning the Motor Vessel "KING ALFRED", and in reply thereto beg to state that all the Machinery plans were destroyed when Messrs. Dodd, Thomson's local offices were burned. New plans of the Donkey boilers, pumping arrangements and electric equipment have been ordered from the builders and will be submitted for consideration as soon as received.

No steps were taken during the vessel's stay in this port to prepare a First Entry Report.

We are, Dear Sir,  
Yours faithfully,  
The Surveyors,
