

S.S. "JOHORE BAHRU" Ex "EMPIRE FOAM" - 1946.

Built 1941-5
S.S. (C) due 7,62.
Last Docking Survey 8,62.

SUBMITTED the ship be opened up and examined as for a Special Survey and the necessary repairs effected to place the ship in satisfactory condition for the required three months postponement, special attention being given to the outstanding conditions of class.

With regard to the 150 fathoms of 2" dia. S.Q. chain cable worn to renewal diameter of 1.25/32" and recommended by the Kobe Surveyors in 8,62 to be renewed at the earliest opportunity, IT IS SUBMITTED for favourable consideration that this replacement could be deferred for a further three months, but no longer.
