 (i) Machinery Subject/Limit by                     :— See endt. dated                       
 (j) S.R.M.C due                      (k) R.S. due

- (3) Postponements already agreed:— Postponement of Special Survey until 7.63 approved 12.10.62 after satisfactory General Examination at K&R in 8.62. On 7th May, the Committee agreed to the replacement of 150 fathoms of chain cable being deferred until July 1963, but the Owners were warned that further maintenance of class would be jeopardized unless definite arrangements are made for the replacement of the cable by that date.  
 (4) New Proposal:—

The K&R Surveyors cable that the Owners have requested the further postponement of the Special Survey for 3 months beyond the expiration of the year of grace. On 29th April the Hong Kong Surveyors stated that the ship's future was uncertain.

Technical Recommendation (Hull):—

See attached memo

J.S.  
21.5.63

(Machinery)

There is no technical objection
