Dear Sirs,

Steamer "JOHORE BAHRU"

I am obliged to you for your memorandum of the 29th April and note the position,

As a Special Survey will fall due next July, it is considered the Owners should be informed that as the replacement of 150 fathoms of chain cable has been outstanding since August 1962, further maintenance of class beyond the end of July next will be jeopardised unless definite arrangements are made for the replacement of the cable by that date.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
