QUESTION

ANSWER

With reference to my letter of the 29th March, I shall be glad to learn how this case now stands regarding the supply of equipment.

I shall also be glad to know if you are in a position to let me know what arrangements have been made for the Special Survey to be held by the end of July as requested.

Date:—

29th April, 1963.

Owners state that they have not yet been able to obtain suitable second hand cable and are reluctant to order the equipment new in view of the uncertainty regarding the ship's future. Nor has any definite decision yet been made regarding the Special Survey, which becomes due in July next.

This 150 fthm. of chain cable has
 been outstanding since 8.62 and the
 owners should be informed that unless
 definite arrangements are made for the replacement
 of the cable by the due date of the S.S. the class of the
 ship may be jeopardized.
