For the Attention of Mr. James A. Anderson.

Dear Sirs,

s.s. "JOHORE BAHRU" - Renewal of Chain Cable

We refer to your letter of 9th January addressed to Great Southern Steamship Co. on the above subject, copy of which was eventually passed on to us by you for reply as a result of transferring of general agency of the subject vessel to this Company.

We now wish to confirm to you that the matter has been passed on to the Owners for their comments and we shall inform you when the same is received from the Owners. However, we understand from the ex general agents at Hong Kong that the Owners had requested them to locate the chain cable for renewal, but so far to the moment no suitable one is obtainable by them.

Yours faithfully,
PEDDER INDUSTRIAL COMPANY LIMITED
As Agents
