Lloyd's Register of Shipping.

Port of Montreal,

July 2nd, 1929.

This is to Certify that I have
Surveyed the Boiler and Machinery of the Steel Triple Screw
Patrol Vessel "FLEURDELIS" approximately 350 gross tons of
Halifax, N.S.,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have
L.M.C. 6-29,
Recommended that the record of

be made in the Register Book in the case of this vessel.

Geo. Allan

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book, or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."

Made in England.
