

Lloyd's Register of Shipping.

Port Halifax, Nova Scotia,

July 20, 1929.

This is to Certify that

T. Moon

the undersigned Surveyor to this Society did at the request of the Society's Surveyor at Montreal attend on board the S. S. "FLEUR-DELES" 316 gross tons register of ✓ for the purpose of attending the steam and speed trials off Halifax, N. S., on July 5th, 1929, and subsequent dates.

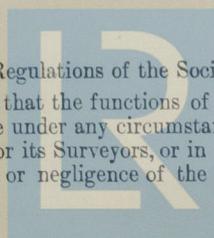

On July 5th, 1929, and subsequently attended trials and found everything satisfactory, there being practically no vibration of hull when running full speed. The machinery trial was also satisfactory, the three sets of main engines, also auxiliaries, running smoothly and showing no signs of heating. The vessel was given a series of trials over the measured mile, attaining a speed of 17.1 knots.

T. Moon

Surveyor to Lloyd's Register

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that :—

“ While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society.”
