QUESTION

ANSWER

With reference to the entry in your return of vessels under survey dated the 24th January last, I shall be glad to learn, in the absence of this vessel's name from your subsequent returns, how the case stands, as regards the Special, Boiler and Screwshaft Surveys.

The Steam Pipe Survey became due so long ago as August, 1957.

Date:— **Bombay, 9-6-1958.**

The survey on this vessel was for damage report at the request of Lloyds Agents only, we have never yet been requested for survey for classification. Vessel is at present laid up in Bombay and understood has been sold to Bombay Owners, but we have no official confirmation of this. No surveys carried out for classification to date.
