

"DANAVRIS"

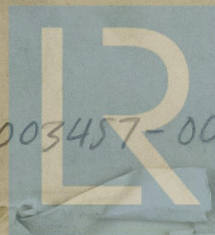

Mr. Lusi, the well-known Anglo Greek Shipowner, telephoned yesterday to say his firm were the London Agents for the Owners of this ship. He appeared amazed that Cargo Underwriters were asking for an increased premium as she had a very good Market record.

I explained to him it might be on account of age, but upon enquiry he had been informed it was because she was classed with the Bureau Veritas and not with Lloyd's Register.
