(j) S.R.M.C due (k) R.S. due

(3) Postponements already agreed:—

(4) New Proposal:— To carry out a General Examination afloat with a view to the postponement of the Special Survey until the end of 1963 / beginning of 1964 when the Owners intend to sell the ship for breaking up. It is also desired to postpone the Boiler and Screwshaft Surveys until then, it being pointed out that the boilers are also subject to survey by the German Boiler Authorities. The ship is 42 years old.

Technical Recommendation (Hull):—
Submitted for Approval
provided the requirements of a General Examination are complied with, the period of postponement to be determined by the condition of the ship as found. Drydocking to be at the discretion of the surveyor J.I. 28.3.63

(Machinery)
Submitted for approval regarding ES & TS but in view of the age of the boilers and the subject of class against the Starboard boiler, it is ^{considered} the desired period of

Date of Committee FRIDAY 29 MAR 1963
Minute *Submissions approved overlong regarding ES and TS & obtain much better approval re BS*
