20 JUL 1946

Lloyd's Register of Shipping

International Convention 1930 Respecting
Load Lines.
Renewal Survey in Accordance with Art. 14
of the Convention.

(Port) Rotterdam
(Date) 10th of July, 1946.

I have to report that I have surveyed the Dutch Steamer
"WINSUM" of Amsterdam, ~~ON~~
on this date.

I have compared the arrangements on board the ship with those
given in the original freeboard report and I have found them to be in
agreement therewith or equivalent thereto, and the whole to be in
efficient condition. This vessel has passed her Special Survey with
docking date 7-46, and notation Special Survey Rotterdam 7-46.

The freeboard marking has been verified and found to agree
with the freeboards given on certificate No. ---- dated July, 1946
~~which is returned herewith~~ issued by the Netherland Authorities.

Surveyor to Lloyd's Register.
