R.

Dear Sirs,

S.S. "JALAMANJARI"

In reply to your letter of the 17th October I am pleased to inform you that the Committee are agreeable to a General Examination being held afloat in drydock at Calcutta about the end of November, with a view to the postponement of the Special Survey until some time before the end of December, 1962.

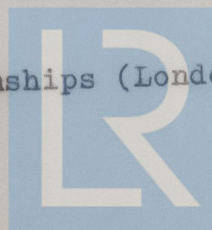

The Main Boiler Survey, due at the end of July last, was partly held at Calcutta in June, and it is concluded that this inspection will be completed at the same time as the General Examination by the inspection of the port boiler throughout, the adjustment of its safety valves and the examination of the oil burning arrangements and remote controls under working conditions.

Yours faithfully,

c.c. Calcutta.

Deputy Clerk to the  
Classification Committee.
