"JALAMANJARI"

Dear Sir,

The owners state that due to cargo commitments they will be unable to carry out the Special Survey on the due date, December 1961, and request that the survey be postponed for twelve months.

They are prepared to submit the ship for General Examination, afloat and in drydock at Calcutta about the end of November and request that the Committee sanction the proposal.

Yours faithfully,

*R. M. S. S.*

For The Surveyors.

The Secretary,  
LONDON.
